

Draft Letter to Conservative MPs

It is better to use your own words, but this may help you to get started.

Dear [insert name of MP]

You have previously confirmed that you believe that if it is confirmed that the Prime Minister misled the House, he should resign in accordance with the Ministerial Code. With the recent publication of multiple photographs of Johnson toasting colleagues in what were clearly parties and the detailed chronology in the Gray report, which explicitly contradicts what Johnson told the House, the time has now come for him to go.

I am writing to ask you to send in your letter to the 1922 Committee calling for a vote of no confidence.

With all good wishes,

Yours sincerely,

And this website will make it very easy for you to send your letter: <https://www.writetothem.com/>
